OVERVIEW - ITS NOT JUST A GOLF EVENT

IT'S A SANCTIONED AND APPROVED WORLD CHAMPIONSHIP GOLF COMPETITION

● Iceman Golf's proven track record with successfully producing the Golf Long Drivers International sanctioned competition process in 7 different countries is your guarantee of a high-quality television campaign made for millions of arm-chair viewers and golf enthusiasts worldwide. The backdrop to the international filming process is a Class A destination golf resort alongside a series of blue-chip corporate sponsors. The series has proven to deliver a strong national and international media campaign and exposure for the blue-chip sponsors and the host venue.

● Iceman Productions is the number one provider of Long Drive Golf Television programming in the world. We are the only firm globally to receive accolades from the governing bodies to the game of golf as our Long Drive competition format complies with the "Amateur Status - Rules of Golf". The sanctioned long drive competition process is "sanctioned" by Golf Long Drivers International. A 26-episode golf television series will be produced during the 2nd quarter of 2026 and will be syndicated globally and on-line with network broadcast currently enjoyed in 40 countries worldwide. New for the 2025 production includes our new on-line streaming partners Apple TV, Amazon Fire and Roku. New technical elements include "Flight Tracker, Swing Speed Meter and Drone" coverage as showcased throughout the framework of the production process.

Blue Chip Corporate Campaigns are Not Conflicting – Above Senior Men's World Championship Finals

Turf-Paint Advertising and Product Placement provide Full Time Television Visibility & Exposure for the Sponsors

Each of the 26 episodes produced is packaged as an 'International Television Program' containing representation of a minimum of 6 different countries in each program. The 2025 International Long Drive Championship Series is expected to include 12-15 different countries in attendance.

Iceman Golf augments current PGA and European Tour programming with our Day & Nighttime Television Production

Iceman's Sponsor Commitment

The partnership objective is a commitment to increase visibility through the television production and syndicated broadcast process nationally and worldwide.

A partnership with Iceman Productions is a continuing commitment for sponsors to capitalize on one of the fastest growing disciplines associated with the game of golf. Iceman Golf has drawn unparalleled interest from the international golfing communities, governing bodies to the game of golf, network broadcasters and on-line streaming partners globally. Iceman Productions is currently the largest producer of sanctioned Long Drive programming in the world. This relationship allows event partners to become actively involved in an international event that can drive consumer traffic and awareness while providing visibility and exposure in a clean, healthy, and positive environment.

MINISTRY OVERVIEW

The PRAISE PUPS FOR JESUS campaign was designed to win children of all ages to Jesus Christ as Lord and Savior. Austin Turner's graphic cartoon dog drawings and life-like characters perform and inspire children to develop a spirit of Praise and Worship through music and visual expression.

PRAISE PUPS FOR JESUS is a combined regularly scheduled network television cartoon series, Sunday School Bible Study, with Live Concert Performances in select cities on the global stage. The Hearts on Fire Ministry campaign is being produced for a worldwide children's audience. The series will bring the powerful message of Hope, Love and Peace through syndicated television media broadcast, music and a 13-week Sunday school Bible study curriculum. The concept is designed to be a tool for the youth of the world to develop strong character, provide hope and inspiration to Praise and Worship our Lord and Savior.

A PRAISE PUPS FOR JESUS song is performed within each episode aired on television throughout the 13-week regularly scheduled children's cartoon series programming. Syndication will be worldwide through the Iceman Television consortium of syndicated network partners. A regional concert tour will follow in association with the televised cartoon series which is designed to reach all youth audiences but specifically ages 3 through 10.

Phase II of the business model is to expand the PRAISE PUPS FOR JESUS cartoon series and the Sunday school curriculum, and the Musical Performances to be distributed in Spanish language as part of the international television campaign and reach for the targeted demographic.

PRAISE PUPS GOES SPANISH!

All audio soundtracks are owned and have been registered with BMI, Nashville, Tennessee. Austin Turner is presently the sole artist/songwriter responsible for the music scores. The Praise Pups for Jesus soundtracks were recorded in Nashville, TN at Nashville Connection Recording Studio, owner, producer, musician, Mark Dreyer. Top notch musicians and singers were hired for the PRAISE PUPS FOR JESUS recording sessions, and we own all master music and recording rights exclusively.

The Stars Foundation, a Nashville based 501c3, will be utilizing relations with “The Voice” and “American Idol” winners and other known celebrities and writers to create additional music tracks according to the storyboards currently in production.

Catch the Excitement!

CARIBBEAN OFFSHORE POWERBOAT CHAMPIONSHIPS

Iceman Productions™ specializes in the content production, distribution, and syndication of 'Ready-to-Air' television programming. As a supplier of regularly scheduled network programming, episodes are produced in accordance with the international broadcast guidelines associated with ESPN and Fox Sports. Network and production partners are the beneficiaries throughout the 13-episode series with total flexibility within creative segment and storyboard elements within the raw footage collection process.

Synopsis:

The Caribbean Offshore Powerboat Championship Series is an exhilarating and a breathtaking spectacle, bringing together the latest in state-of-the-art powerboats and the technology that goes hand-in-hand with them. Each episode features a spectacular waterfront venue and the lifestyles of the 'Rich & Famous' associated with the most popular offshore events and celebrity race teams throughout North America and the Caribbean.

An exhilarating and a breathtaking spectacle, bringing together state-of-the-art powerboats, technology & Celebrities.

A sport fueled by adrenalin, with powerful exhibitions of skill and courage, creates a theatre of excitement and drama for the crowds who flock in the thousands to watch powerboat competing for top honors. Iceman™ captures the high energy momentum with key helicopter and on-board camera footage combined with informative interviews and celebrity profiles that take the viewer right into the cockpits. Specially produced segments highlight the enchantment of open water performance boats reaching speeds of 150 mph plus. Viewers experience the behind the scenes drama of personal conflict, romance and intrigue, a lifestyle that exudes opulence while drawing the contemporary armchair viewers into the personal drama of these courageous and adventurous icons of wealth.

A professional multi-camera production crew captures the excitement of Sir Richard Branson's British Virgin Islands Poker Run, Puerto Rico & Bahamas Offshore Invitationals, The Cayman Islands Million Dollar Run, Barbados Challenge and the Trinidad Great Race, recognized as the longest open water race in the Western hemisphere. New races are being added to the 2025 production schedule. With a proven broadcast track-record, each episode of this exhilarating television series holds the viewer steadfast with high impact footage showcasing the most powerful offshore racing boats from the United States and the Caribbean.

SYNOPSIS

MAKE A LASTING IMPACT

“Arise for America’s Future”

Iceman Productions™ in collaboration with Savannah Entertainment™ has been commissioned to produce a patriotic 26-episode television series cleared for broadcast in America. The series commemorates our American Heritage while paying tribute and honoring our troops and veterans. The series, working titled **Patriot Nation** will be syndicated through a comprehensive network of regional cable and on-line streaming platforms which include *AIM Television with Comcast*, *Iceman Extreme Sports on Roku*, *Apple TV*, and *Amazon Fire*, *Android TV* and on the *NRB Television Network* reaching 42+ million viewers including Canada and the UK, per each episode airing.

Produced for an American television audience, **Patriot Nation** features the country’s premiere patriotic sites, events, concerts and rallies. Content includes a variety of high impact film shoot locations selected to inspire an American audience with national pride. The series showcases a variety of festivity highlights and musical performances captured from several historic sites and mass consumer attended events attracting more than 3 million attendees annually. The foundation for the series is American Patriotism and Pride utilizing Motorcycle Enthusiasts and Country Music fans. **Patriot Nation** focuses on what makes our nation great and looks back at heritage sites to explore the valor and courage of our founding fathers and early patriots.

Specially produced segments showcase the veterans’ heart felt **Stories of Valor**. Engaging celebrities along the way, some concert highlights and music video footage are shown providing a message of love and hope for America, with ardent passion to return America back to its greatness. Our hosts provide a detailed look the national pandemic pertaining to suicide, especially among our military, veterans and youth.

Patriot Nation is being produced as a prime time “magazine style” television series with syndicated broadcast throughout North America and select European countries. *Iceman Productions™* is a full-service promotions company specializing in television production and syndicated broadcast of “*Network Ready to Air*” programming. Each of the unique episodes will hold the armchair viewers steadfast to Americas beauty and valor.

All programming is slated for broadcast the 3rd quarter of 2026.

AVIATION ADVENTURERS

Showcasing The Global Diversity In The Multi-Billion Dollar Aviation Industry

Aviation Adventurers showcases all aspects of the Aviation industry from an "inside" perspective. Designed to educate and hold the viewer with a variety of high impact footage, the 13 episode filming platform explores the various facets that make up the Aviation Industry, with an in depth "Behind the Scenes" look at the people, places and operations that comprise the diverse and exciting world of aviation.

Our hosts introduce the viewers to the operators and their services that make up the multi-faceted aviation industry. The show features a wide variety of applications from; Extreme Helicopter Operations, Executive Jets, Heavy Lift Cargo Transport, Search & Rescue, Manufacturing & Support Operations, and much more, while profiling the daily challenges, dramatic events, and enthusiastic people that make it all happen.

Flying The American Dream

On air host and NASCAR driver Geoff Bodine takes an in depth look at the risks and rewards to flight crew and helicopter as the Sikorsky Skycrane performs a "High Wind, Heavy Lift Helicopter Operation on Oil Rigs in the Gulf of Mexico". Country music star Rockie Lynne hosts the segment on "The Financial Industry & Executive Jet Purchases" as he looks at "Jet Aircraft vs. Turbo Prop – Comparing performance and luxurious cabin features". Our segment on "Helicopter Heroes of Humanity" spotlights the crew and equipment used in "Battling the Blaze – A California Forest Fire Suppression Operation" with host pilot Martin Weening. Each segment is guaranteed to hold the armchair viewer steadfast and on the edge of their seat.

Geoff Bodine - NASCAR Rockie Lynne- Country Music Artist Martin Weening - Pilot

The series complements the hardworking men and women who overcome fear, danger and challenges to accomplish their daily tasks in both fixed wing and helicopter operations, while providing the viewer a "look" into their unfamiliar occupational hazards, duties, and ultimate rewards. **A must watch television series!**
